

The *Hospitality Youth Skills Showcase 2011* is a 5 star gala event proudly coordinated by Hospitality Group Training, that displays the formidable skills of over 100 of Western Australia's hottest young apprentice chefs and hospitality trainees.

This year's extravaganza for 500 guests themed 'A Taste of the Orient', will be opened by the Hon Peter Collier MLC, Minister for Energy; Training and Workforce Development; Indigenous Affairs and will take place in the Grand Ballroom of the *Hyatt Regency Perth* on Sunday 22nd May 2011 with pre-dinner drinks from 6.00pm.

Guests will include government ministers, national and state presidents of major hospitality & tourism industry organisations, media personalities, leading executive chefs, restaurateurs and the supporting public. All will be entertained by some of the State's most *talented young performers* throughout the evening.

These hospitality '*Stars of the Future*', are the next generation of high quality Australian chefs, restaurateurs and hoteliers. This is an event to celebrate the contribution that young people make to WA's hospitality & tourism industry and will appeal to anyone with a passion for great food, drink, service and entertainment.

This year's event has sold out in record time and is testimony to the current wave of interest in cooking. Our challenge is to translate this interest into exciting career opportunities for young chefs.
